From the office of Mr. Jacob Sholtis, Principal

Welcome to State Street Elementary Center, an academically and socially progressive school in the Wyoming Valley West School District.

State Street Elementary Center is located in Larksville, Pennsylvania. Our building is made up of just over 1100 students spanning Kindergarten through Fifth grade. State Street's student body is serviced by a faculty and staff made up of over one hundred committed individuals. Through the dedication of our teachers, State Street is well-suited to meet the needs of all students regardless of ability level or limitations. We are also privileged to have two full-time counselors dedicated to K through Second and Third through Fifth grades, respectively. A full-time School Resource Officer, courtesy of the Larksville Police Department, adds to our school's appeal, providing an added level of safety and protection. Though we are the largest school in the district, State Street strives to create a welcoming atmosphere, rivaling that of our smaller counterparts.

The administration of our building prides itself on being easily accessible and willing to help. Should you have any questions or concerns related to your child or other matters, please do not hesitate to reach out and we will be happy to assist you in any way we can.

Our building's motto is "State Street is making today better than yesterday," and through a strong parent, staff, and community partnership, we know that statement will continue to ring true.

Thank you for taking the time to review our website.

Sincerely,
