

ATTENTION:

Class of 2021

KDP Studio is your official Yearbook Photographer
for the 2020-2021 school year

The selection of a yearbook photographer is done for several reasons:

- 1) Each senior portrait is photographed in a standardized style.
- 2) All seniors photographed are delivered to the yearbook advisor in an acceptable format and by the appropriate date required for publication deadlines.
- 3) To insure, to the best of our ability, that every senior has the opportunity to be included in their yearbook.

Call today to book your appointment for your 2021 Senior Yearbook Session. Don't delay to set up an appointment so that we can accommodate your schedule.

Senior portrait appointments must be booked **no later than January 16, 2021** to be included in the yearbook. **Senior Portrait Session Fee is \$20.00. Retouching can be done to your photo for an additional \$10.00. Session fees are due at the time of your sitting.** Session fees cover the cost of materials and time necessary for your session **and do not include any portraits.**

TRADITIONAL PORTRAIT GUIDELINES AND TIPS:

SENIOR GIRLS: Choose a sweater, blouse, top or dress with a becoming neckline and sleeves. Any one of these styles will look best in your portrait. Choose a color that is flattering to your skin, eye and hair color. Avoid large prints they do not photograph as well as a solid color.

SENIOR BOYS: A collared shirt, or for a more traditional look, a sport coat, dress shirt and tie can also be worn for your yearbook photo. **Follow your schools guidelines for senior photos.** A clean-shaven face photographs the best. If you have a beard, mustache etc., please have it neatly groomed.

KDP offers a variety of Sessions, from Location to Full sessions, with clothing changes and the works and we would love to have you! Please give the studio a call to discuss the different sessions available 570.718.0442
