

ENTRY/ARRIVAL

- Students arriving to school by bus will be released 2 buses at a time, no earlier than 8:30AM and enter school directly from the bus.
- Students dropped off at school or walking to school will be admitted through their designated door beginning at 8:30AM. Arrival to school should be timed accordingly.
- Parents should use the entire length of the drop off lane and pull past the drop off door and sign. Students can walk back to their entry door. This will help alleviate traffic backing up onto State Street.
- Do not park in the drop off lane. Once your child exits the vehicle please vacate the drop off area.

DISMISSAL

- Dismissal will be on a staggered basis beginning at 3:30PM to reduce the simultaneous exit of large groups of students into the hallways and outside of the building.
- Walkers will be dismissed at the same time as bus riders to their designated door. Students in grades 3-5 with siblings in grades K-2 will exit via the K-2 exit.

PLEASE HAVE PATIENCE AND DRIVE WITH CAUTION TO ENSURE THE SAFETY OF OUR STUDENTS AND STAFF!
