

ALL ACTIVITIES. ALL LOCATIONS. ALL MONTH.

JOIN US FOR #CANDYSVIRTUALL

We are taking our annual walk fundraiser virtual again in 2021! This VirtuALL event will be open for participation the entire month of May. Any activity is valid as long as there is movement. That means walking, hiking, kayaking, skating, running, swimming, even gaming are all options! Our walk is usually 2 miles so we ask that the length of your chosen activity be equal to or exceed the 2 mile mark.

Be sure to grab a selfie or video of your activity to share online and tag it #CandysVirtuALL.

"I have two sisters and a mother affected by breast cancer. I kept in touch with Candy's Place by being an active donor. Several years later, I was diagnosed with non-Hodgkin's t-cell lymphoma. I was not aware men could receive services. I was excited and took advantage when I found out. It has been a relief to have others share my ordeal and to make me feel like my old self. Thank you to the wonderful staff, volunteers and members."

JIM | CANCER CLIENT
